Personal data protection is very important to us. Please acquaint with the Policy which contains important information regarding the usage of your personal data, related rights and obligations.

1. GENERAL PROVISIONS

1.1. What governs our relationship when dealing with personal data

Dealing with personal data is governed by the legal order of the Czech Republic, and directly applicable regulations of European Union, more particularly regulation 2016/679 of the european parliament and of the council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (hereinafter referred to as the “**regulation**”), Act no. 110/2019 Sb., on processing of personal data and Act no. 480/2004 Sb. on certain legal aspects of information society services, and amendment of a few laws, as amended.

1.2. Information we collect

Personal data means any information relating to an identified or identifiable natural person. Personal Data is particularly (but not exclusively):

- **Identification Data**, such as the name and surname, date of birth, sex, username of an account;
- **Contact Details**, such as the address of residence (or address for service), phone number, email address;
- **Other information**, such as information collected via cookies, IP address (network identifier) including the type of web browser, the device and operating system, duration and number of accesses to the website and corresponding information.

2. COLLECTING AND USING PERSONAL DATA

2.1. How we collect your personal data

You provide us with your personal data particularly by completing your purchase order, eventually within registration. **Please inform us if there is a change of your personal data.**

Some personal data can be collected and saved via cookies during visit on the website. You can read more about cookies in the Article 5 of the Policy.

2.2. On which basis and for which purposes we process your personal data

- We can collect and process personal data insert while you are **inquiring** (particularly by filling a contact form) or **ordering goods or services** without your explicit consent solely for the purpose of **fulfilling the contract**, which means in order to deliver the goods or to provide the services. We can further process the data in order to fulfil our other **obligations imposed by the law** (particularly record-keeping obligations, archiving of invoices etc.) and for purpose of protection of our legal claims.
- We can collect and process information provided **within registration** without your explicit consent solely for the purpose of permit access, administration and management of a user account.
- We are entitled to use your email address without your explicit consent for the purpose of sending commercial communications regarding our goods or services similar to those you ordered, or to inform you about news and changes on the website. You can refuse sending of these commercial communications at any time (also while ordering goods or services).
- After your **consent** via confirmation on the website, we can process your personal data insert while ordering goods or services or within registration in order to send the **commercial communications** and **direct marketing**, eventually for additional reasons to which you have explicitly consented. If you are younger than 15 years, it is necessary that your statutory representative gives the consent. In case of doubts, we are entitled to ask you for a proof of your age.
- If we process personal data **via cookies**, we do so on the basis of your consent (which you can give us in applicable Settings of your Internet browser), on the basis of our legitimate interest or for the purpose of performance of the contract. We use data collected via cookies for the purpose of user support, improving our services including analysis of user's behaviour and marketing.

We will ask for your consent before using data for a purpose other than those that are set out above.

2.3. For how long we use the data

We use the personal data insert while inquiring or by ordering goods or services, or within registration on the website, solely for the time necessary to fulfil the contract and obligations imposed by the law.

If you give us explicit consent to process personal data or if we use your e-mail address for commercial communications, the data will be used for the time our website, on which we offer goods or services similar to those you ordered, is functioning (or for the time period stated in the consent).

3. YOUR RIGHTS IN RELATION TO PERSONAL DATA

3.1. Right to withdraw consent

If we process your personal data solely based on your consent (i.e. without any other legal purpose), you can decide to withdraw your consent at any time.

The withdrawal of consent to processing personal data is possible at any time:

- by sending an email to contact email address;
- in writing by letter sent to our delivery address;
- in case of commercial communications – in a way which is indicated in every email containing commercial communications (by clicking on deregistering link or by another way).

Withdrawal of consent does not affect the legality of personal data processing done before the withdrawal.

3.2. Right of access by the data subject

You have the right to be informed about processing of your data and eventually to access your personal data, in particular to get these following information:

- purpose of processing;
- category of processed personal data;
- recipient or category of recipients to whom will be the personal data accessible;
- time for which will be the personal data saved.

We will provide you with the copy of your personal data at your request. We may request a reasonable compensation not exceeding necessary costs for providing the information about processing of your personal data.

3.3. Right to rectification

You have the right to request an imminent rectification of your incorrect or inaccurate data, e.g. rectification of incorrect data or/and complement of inaccurate data.

3.4. Right to object to processing

You have the right to object to processing of your processed personal data at any time, if we process these data for the purpose of direct marketing including any automatic process of your personal data. After the objection, we will stop processing your personal data for these purposes.

3.5. **Right to erasure (“right to be forgotten“)**

You have the right to request the erasure of your personal data if:

- the personal data are no longer needed for purposes for which the data was collected or processed;
- you decided to withdraw the consent with processing;
- you objected to processing of the personal data;
- the personal data were processed illegally.

If there are no legal reasons for the refusal of erasure, we must comply with your request.

3.6. **Right to restriction of processing**

You have the right to request the restriction of processing of your personal data if:

- the accuracy of the data is contested;
- the processing is illegal, and you request the restriction of personal data instead of erasure;
- we no longer need your personal data for the purpose of processing, but you request these data for determining, execution or protection of your legal rights;
- you object to processing.

When the processing is restricted, we are only entitled to save your personal data; further processing is possible solely with your consent or for legal purposes.

If the processing of personal data is restricted for reason of your objection to processing, the restriction lasts for the time necessary to find, whether we are obliged to uphold the objection.

If the processing of personal data is restricted for reason of accuracy contestation of your personal data, the restriction lasts for the time of verification of the data accuracy.

3.7. **Right to data portability**

You have the right to collect the personal data you have provided us with, in the structured, commonly used and machine-readable format and to transmit these data to another personal data controller.

3.8. **How can you exercise your rights**

You can exercise your rights in relation with personal data via our contact details. You will be provided with all the information and actions without undue delay.

When protecting your personal data, we will accommodate your needs as much as we can. However, if you are not satisfied with the arrangement, you have the right to contact relevant authorities, particularly The Office for Personal Data Protection (in Czech: Úřad pro ochranu osobních údajů) (<http://www.uoou.cz>) which apply supervision of personal data protection. This provision does not affect your right to contact with your incentive directly The Office for Personal Data Protection.

If particularly your residence, the place of work or the place of alleged infringement of personal data protection is located outside the Czech Republic in another state of European Union, you can contact relevant authorities in this member state.

4. USAGE AND PROCESSING OF PERSONAL DATA

4.1. How we use and process your personal data

We are the controller of the personal data in the meaning of the regulation.

When necessary for performance of a contract or compliance with our obligations, we can transfer your personal data to another subject, for example to carriers, cloud storage vendor, e-mail campaign managers, external accountants or other persons involved in the performance of the contract or in compliance with our obligations. We can delegate also other processors and recipients of personal data. At your request, we will inform you about concrete processor of your data.

Your personal data will not be transferred to countries outside the European Union unless it is necessary for performance of the contract or for any other reason in accordance with the rules of regulation.

4.2. How we process your personal data

Personal and other collected data are highly protected against any misuse. Personal data will be processed electronically in an automated manner or printed in a non-automated manner..

5. THE COOKIE FILES

5.1. What are cookies

The cookie files or so called “**cookies**” are text files, saved in a computer or another electronic device of every visitor of the website, which allow an analysis of a manner of using the website.

Not all cookies collect your personal data; some of them only enable correct operation of the website. You can refuse using cookies in applicable Settings of your Internet browser.

When refusing cookies, it might happen that you will not be able to fully use all the functions of the website.

5.2. Which cookies the website uses

The website uses **relational (temporary) cookies** which are automatically erased after the leaving of the website. Furthermore, it uses **permanent cookies**, which remain in your device until they expire or until you delete it.

The website uses:

- **first party cookies** – these cookies are assigned to the domain of our website; these are necessary cookies and performance cookies, which we use for the purpose of entering into and performance of the contract, on the basis of our legitimate interests or on the basis of your consent. They can be temporary or permanent.
 - **session cookies** – allow navigation on the website and the use of basic functions, these cookies usually do not collect personal data, i.e. they do not usually identify you;
 - **analytical cookies** – serve for analysis of the way of using website (the number of visits, duration of time spent on the website etc.), the data collected by these cookies are usually anonymous;
- **third party cookies** – these cookies are assigned to the domain other than our website's domain even when you are still on our website; these cookies allow us in particular to analyse our website and display an advertisement tailored for you on the basis of your consent; they can be functional or targeted and advertising;
 - **functional cookies** – serve to personalization of the content via storing of logging data; geolocation etc.; it is possible to collect and process personal data via these cookies;
 - **targeted and advertising cookies** – serve to displaying targeted advertisement on the website and outside the website; it is possible to collect and process personal data via these cookies. We can share information about how you use our website with our partners in the field of social networks, advertising and analysis.

5.3. **Services used by Google company**

The website uses service of Google Analytics and, when necessary, other services provided by Google LLC (hereinafter referred to as “**Google**”), service Facebook Pixel provided by Facebook Inc. . These services operate with data collected via cookies.

Service of Google Analytics is used to collect statistics about your use of the website. Cookies obtained by this service will expire depending on your browser settings, at most after 2 years or until they are manually deleted by yourself.

Service of Google Ads is used to identify you within the Google advertising network and re-target your ad (retargeting and remarketing). Cookies obtained by this service will expire depending on your browser settings, at most after 18 months or until they are manually deleted by yourself.

Service of Facebook Pixel is used to identify you within the Facebook Inc. advertising network and re-target your ad (retargeting and remarketing). Cookies obtained by this service will expire depending on your browser settings, at most after 2 years or until they are manually deleted by you.

If you are interested how Google uses data collected by us and how to regulate or prohibit processing, you can find this information by clicking on the following link: **How Google uses data when you use websites or apps of our partners.**

5.4. **How to set and possibly refuse the processing of cookies**
